Minority-, Women-, Veteran and Disability-Owned Business Participation Report

Department of Minority & Women Business Development
Indianapolis
Gregory A. Ballard, Mayor

Disclaimer:

The data provided in this report is based on information provided to the Department of Minority and Women Business Development by City, County and Municipal entities. This report is subject to change based on updates, audits and/or revisions provided by agencies.

Note: As a result of Executive Order 5, 2008, the City of Indianapolis Veteran-Owned Business Enterprise Procurement Program was initiated.
Mayor Ballard's City-County Proposal 289, May 2, 2013, created the Disability Business Enterprise Program.

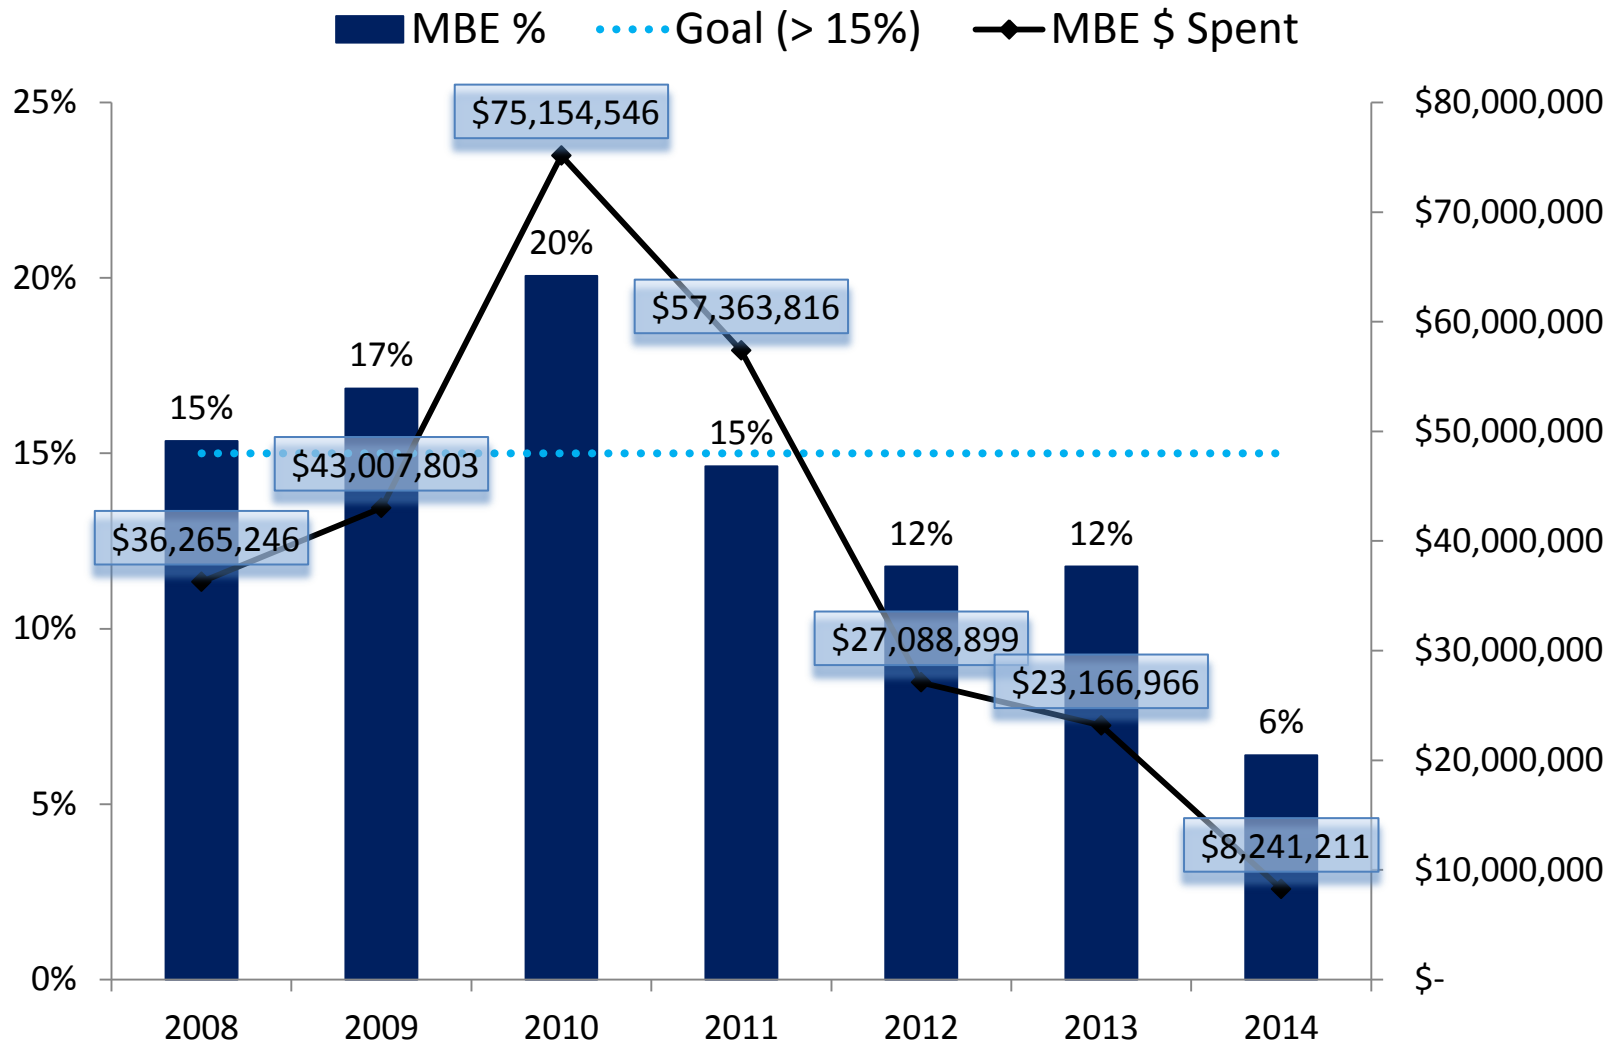

DMWBD Mission Statement

The Department of Minority & Women Business Development of the City of Indianapolis strives to enhance the City's growth and economic stability through promotion of contracting and procurement opportunities for minority-, women-, and veteran- and disability-owned businesses.

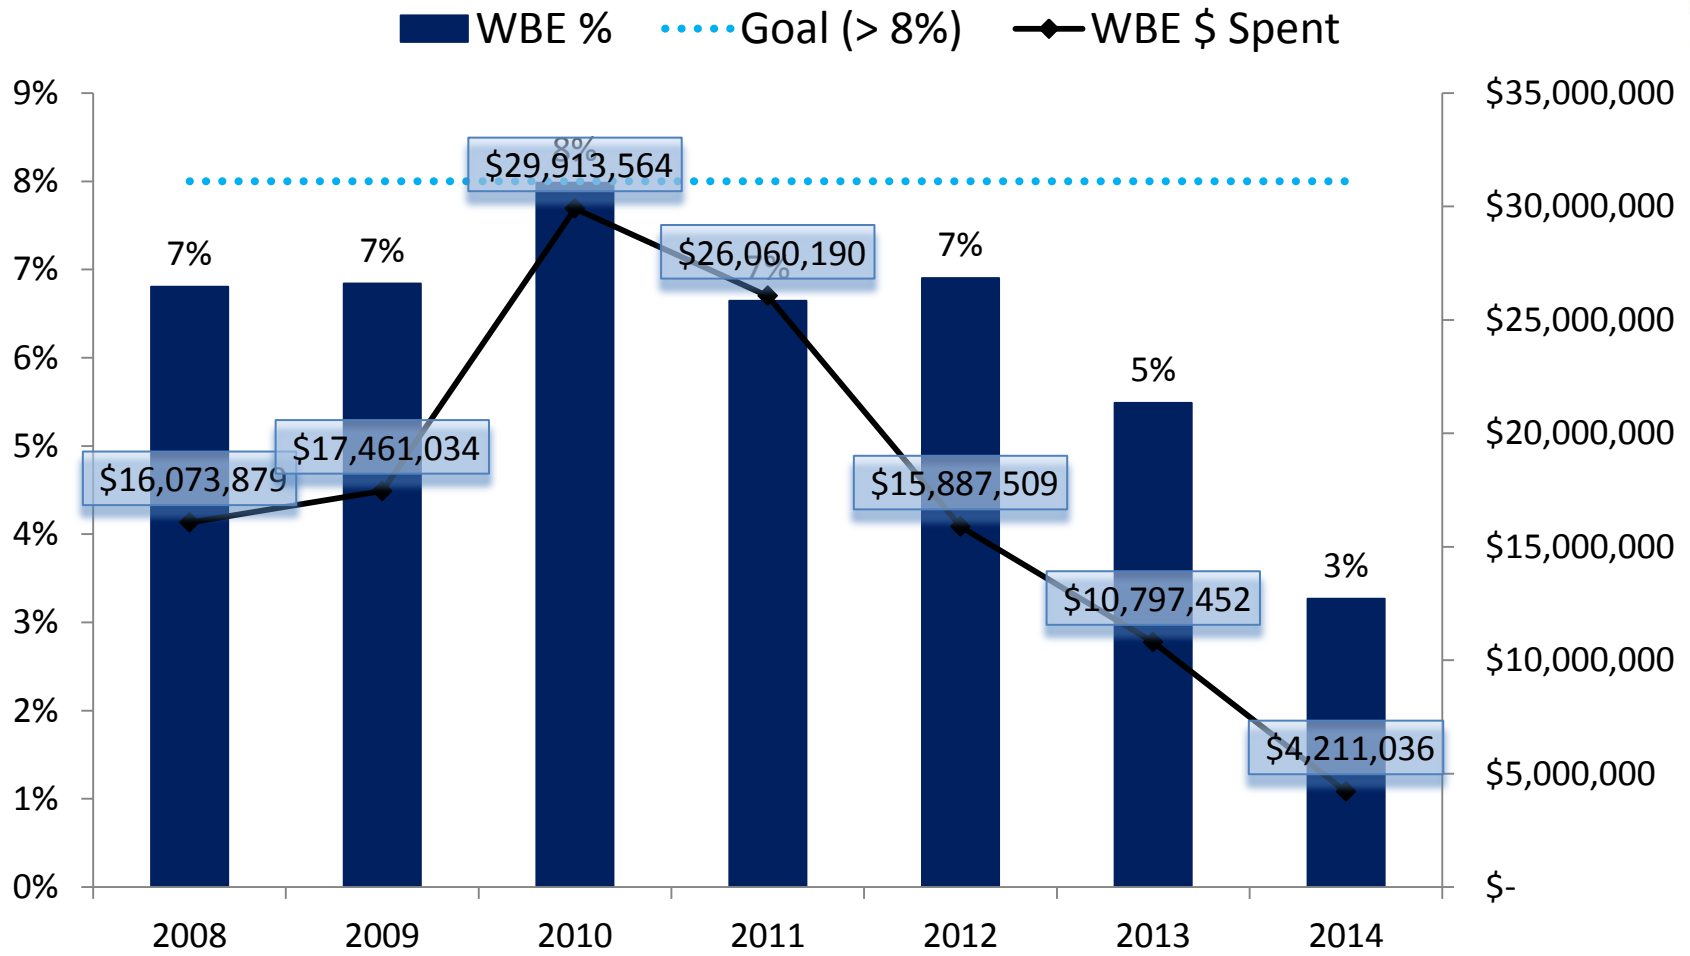

DMWBD Vision

The City of Indianapolis creates and promotes a culture of inclusiveness for business opportunities, economic growth, and sustainability for minority-, women-, veteran-, disability-owned business enterprises.
